WHY CHOOSE NICHOLAS

YOURS TRULY

The economic crisis has shown the inability of most companies to find new business relationships, or even maintain existing ones. The recession has only allowed a small number of companies to grow, whereas most have been forced to reduce their activity or even go bankrupt!

The global marketplace is more competitive than ever. It's getting harder to keep pace with new developments, and to compete against your competition. This is why companies in despair need better business connections.

The best way for a company to stay afloat is through the use of strong business partnerships. Nowadays, it's difficult to accomplish anything without the help of a reliable and trustworthy partner by your side.

This is where I come in with Tailored Global Business Connections that are a vital resource when you are looking to improve your business efficiency. I will take care of all of the heavy lifting so that you don't have to worry about it anymore!

Nicholas Tawil

TAILORED BUSINESS CONNECTIONS

About

Nicholas Tawil is an international PR & networking consultant specializing in business growth through tailored business connections, deals brokerage, negotiations and facilitation with governments, on behalf of governments and among multinationals.

With large networks and strong international presence, Nicholas is ready to assist you in your international growth journey.

MISSION

To bridge the gap between governments, multinationals and business owners, by providing tailored business connections, deals brokerage, negotiations and facilitation services, to ensure maximum growth for each party.

VISION

To become the international reference in government and multinational relations, providing clients with the resources, knowledge and expertise to successfully reach their business goals.

Values

INTEGRITY

Upholding the highest standards of honesty and accountability in all dealings.

PROFESSIONALISM

Demonstrating a commitment to excellence while maintaining a high level of professionalism in all interactions.

COLLABORATION

Fostering an environment of collaboration and seeking to build strong relationships with all stakeholders.

RESPECT

Treating all individuals—clients, partners and colleagues—with respect, courtesy and dignity.

EXCELLENCE

Striving to exceed expectations and delivering the best quality results.
